This Friends Report is divided into 4 chapters.

Chapter 1 describes your temperaments and personalities. The issues described in Chapter 1 become particularly powerful if you have a close or long-lasting relationship. Idiosyncrasies or quirks in another person's personality do not bother us as much if our relationship is a casual one. For example, if one person is neat and tidy and the other is sloppy, this is more likely to become a concern if you depend on each other in a business partnership than if you are casual acquaintances.

Pay close attention to the issues described in Chapter 2 because these are the most important themes in your relationship. For example, if themes of open communication and friendliness are emphasized, then you can count on this relationship growing into a close, long-lasting friendship. However, if friendliness and harmony between you are hardly mentioned at all, your relationship will be a more formal, less personal one and you probably won't think of one another as close friends. Note also that the material in Chapter 2 is presented roughly in order of importance, so that the material presented at the beginning of Chapter 2 is the most powerful.

Chapter 4 describes issues in your relationship of less importance than those presented in Chapter 2. Chapter 3 describes situations and circumstances that arise over time if your relationship is a long-lasting one.

If a statement appears to contradict another statement, then your roles are likely to alternate. For example, a statement that Matthew is more aggressive than Matt, and another statement stating that Matt is more aggressive than Matthew, means that you alternate roles, with Matthew sometimes being the leader and Matt being the follower, and sometimes just the opposite. Also, read the statements carefully, as it is likely that a careful reading will reveal different kinds of aggressiveness or areas in which the aggressiveness is likely to express itself.

To make the most of this report, combine this astrological analysis with other things that you know about each other. For example, if your relationship is strictly business-related and close, personal friendship is unimportant to both of you, then it will not concern you if there is little warmth in the relationship. However, a lack of warmth and sympathy, or a tendency to be critical and judgmental of one another, is a more serious problem in a parent-child relationship. You may also want to order a Natal Report for each of you. The Natal Report describes your individual traits. The material in Chapters 2, 3 and 4 of this report describes the dynamics of your relationship, but does not describe your individual natures.

Your birth chart interpretation is based on the positions of the planets at the time of your birth. For the benefit of students of astrology, these positions, along with other technical information, are listed below:

## Chapter 1

### A Comparison of Temperaments and Life Styles that Affect Your Ability to Harmonize with Each Other

*Matthew's Sun in Leo and Matt's Sun in Leo:*

You are both proud, vibrant, warm, but rather self-centered individuals. You both want to be the center of attention, and you may not want to share the starring role with your friend. Neither of you can dominate in this relationship - you must cooperate, which isn't something that comes naturally to either of you. Competition can be quite fierce, for you both have very strong egos.

Although it may not be obvious to others, both of you are very self-conscious individuals, and you are very concerned with your own personal creativity, personal recognition, and personal performance. Being inconspicuous or in the background is not your style.

You tend to either adore each other or despise each other. You are both very loyal, but you must respect and believe in your friend. If you ever feel that the other lacks integrity or honesty, or is competing with you (or surpassing you!), then the admiration that you have for each other turns sour quickly.

*Matthew's Moon in Scorpio and Matt's Moon in Pisces:*

You are both very intuitive and psychically receptive, and you sense what is going on inside others even when they try to hide it. You have a very sympathetic rapport with one another, and you may get so enmeshed with each other that it is hard for you to tell whether you are feeling your own emotions and responses, or those of your friend.

Both of you are very, very sensitive, but the difference between you is this: Matthew will hold onto hurt feelings and may harbor unexpressed resentments, jealousies, secret fears, and guilt for a long, long time. Matt, on the other hand, is much more forgiving, tolerant, and ready to make excuses for the offender. Matthew is more of a fighter and wants to retaliate when injured; Matt is basically a peace-loving pacifist who would rather not create more conflict.

Though you both feel very deeply, you may not be very articulate about your feelings and inner experiences. You share an affinity for music. Living near water would be beneficial for both of you.

*Both of you have Mercury conjunct, trine, or sextile Venus:*

Both of you have a fine sense of beauty, artistic design and elegance. You enjoy those small, finishing touches which delight the eye and make the ordinary into something beautiful and special.

Sharing thoughts on love and romance and the more lighthearted aspects of life is something both of you enjoy doing - and do quite well. The art of relationship is one you are both gifted in. Sweet manners are important to you.

At times you both tend to sugarcoat your words, or to avoid speaking of the unpleasant side of things. This promotes rather superficial or at least one-sided types of interactions with people.

## Chapter 2

### Major Themes in the Relationship: What Brought You Together

### *Matthew's Asc. Conjunction Matt's Jupiter:*

Matt helps build Matthew's self-confidence and self-esteem tremendously. Matthew feels Matt's approval and appreciation, and feels that Matt is a real friend and supporter, which enables Matthew to do more, take more risks, and aspire toward greater things.

Also, you simply feel good in one another's company. Humor, fun, recreation, and play are a big part of your relationship.

### *Matt's Asc. Conjunction Matthew's Venus:*

A strong desire to please each other, and to cooperate, makes you very harmonious together. Appreciation, affection, and much love exist between you, and you are very special to one another. Matt, in particular, embodies much of what Matthew finds beautiful and delightful.

### *Matthew's Mercury Conjunction Matt's Uranus:*

You inspire each other to develop original, creative ideas. Matt, especially, awakens, enlivens, or radically changes Matthew's ideas and perspective. There is a strong impulsive quality too, and together you tend to make decisions impulsively. This is fun and exciting when the decisions are relatively harmless (for example, deciding to go somewhere together), but care is needed before making more important decisions (for example, suddenly deciding to form a business partnership).

### *Matthew's Mercury Conjunction Matt's Pluto:*

Your conversations tend to be probing and deep. You enjoy uncovering the underlying motivations and causes of a situation. Frequently what starts out as a light, friendly conversation ends up as an in-depth psychoanalysis of each other! Matt may dominate your conversations and at times tries to force Matthew into agreeing or believing whatever Matt wants!

### *Matt's Sun Sextile Matthew's Uranus:*

There is a light-hearted, buoyant quality to your relationship that makes you really enjoy each other's company. You spark each other's sense of humor and you enjoy joking and "horsing around" with each other. You also appreciate each other's creative interests and encourage each other to pursue original, creative activities. Matt especially feels freer and less inhibited by being with Matthew.

### *Matthew's Asc. Trine Matt's Saturn:*

Matt is a stabilizing force in Matthew's life, and offers steady, quiet support when Matthew is in need. Matt may help Matthew build a firm foundation and long-term security for Matthew's life. It is easy for you to be committed to one another, both as friends or as business associates.

### *Matt's Moon Trine Matthew's Venus:*

There is much warmth and kindness in this relationship. Both of you find it easy to express kindness openly towards each other, and the emotional rapport is excellent. This friendship is likely to be a lasting, harmonious one.

### *Matt's Venus Square Matthew's Mars:*

When the two of you disagree, Matt is the harmonizer and peace-maker, quicker to restore the affection and friendship between you, and less inclined to focus on your differences, while Matthew wants to clear the air, get everything out into the open, and is more apt to force issues. Matthew's assertiveness sometimes irritates Matt. If you spend much time together, this can be a tempestuous relationship.

### *Matt's Venus Trine Matthew's Saturn:*

There is a great deal of mutual trustworthiness, reliability, and responsibility in this relationship that makes you both feel that you can count on each other. You willingly make sacrifices for each other, and a deep friendship between you develops over time. You will assist each other a great deal over the years.

*Matthew's Venus Sextile Matt's Pluto:*

You are able to pour your hearts out to each other and feel like you are able to express your feelings to each other very fully. You do not indulge in superficial social "games" and masks with one another, so this is likely to be an unusually intense, close friendship.

*Matthew's Mars Trine Matt's Jupiter:*

The two of you form an effective, dynamic team in any venture or endeavor. You work together very well in accomplishing daily tasks, and it is likely that you will also successfully coordinate efforts on joint efforts as well. Matt provides the vision, the social contacts, and ideas, while Matthew provides energy, decisive will, and enthusiasm.

*Matthew's Mars Trine Matt's Saturn:*

You can work together very effectively, focusing your energy and attention on the tasks at hand. Matthew feels that Matt will stand behind Matthew's efforts and be a solid supporter, and Matt's experience or practicality is often a help to Matthew.

### **Chapter 3**

#### **Destiny and Final Outcome of Your Relationship**

*Composite Sun Conjunct Mercury:*

Yours is an intellectual relationship, among other things. Exchanging thoughts, studying together, sharing information, talking and bantering, turning one another on to new books or ideas, sparking one another's curiosity and interest in the world - all of these are important aspects of your relationship. A certain detachment and the ability to think about and talk about what is going on between you are also highlighted. Put simply, becoming more conscious or more informed and educated is a significant reason the two of you are drawn together.

*Composite Sun Conjunct Venus:*

Your relationship will grow to become a strong friendship. You are also able to work together well in any endeavor that requires good artistic sensitivity. There can also be an element of vanity, artifice, or wanting to show-off in whatever you two do together. Hiding or downplaying your difficulties and the ugly parts of your relationship may be helpful to a point, but if you try to do this despite your actual conflicts, then deeper troubles may never get attended to. However, whatever friction, dissonance, or ill will develops between you, there will also always be an urge to harmonize, reconcile, and ease your differences, and to create cooperation. It will take a lot for the two of you to ever turn against each other entirely.

*Composite Mercury Conjunct Venus:*

A shared sense of style, elegance, and aesthetics is destined to be a focus with the two of you. Discussions about art and literature are likely to be common.

You have a very friendly and cordial relationship. You find it easy to talk to each other in a friendly, easygoing manner. This

friendship is likely to be a lasting one.

### *Composite Mars Conjunct Neptune:*

The two of you are destined to become involved in some activity that is very entertaining or imaginative. It is likely that you enjoy playing games or sports together. When you work together on a practical problem or issue, eventually you find yourselves engaged in a very imaginative and creative approach to the situation. Somehow, it seems that you rarely can focus on things in a simple, matter of fact manner. In fact, the two of you often find it difficult to focus on practical matters at all, and when forced to do so, you are likely to find yourselves making numerous mistakes and neglecting important details. Like a child bored at school and looking out the window, the two of you are inclined to want to play rather than work, or do something imaginative and creative rather than practical or mundane. Sometimes, too, your lack of attention to practical details leads to fumbled efforts, lackluster performance, misunderstanding, or failure.

Your relationship is destined to inspire the two of you to pursue very imaginative or idealistic pursuits. Both of you must handle practical matters very carefully to ensure that you have a clear and realistic perspective before embarking on any joint endeavor.

### *Composite Mars Sextile Pluto:*

The two of you can achieve a lot together. You make a dynamic, highly motivated team that can work through obstacles until success is reached. You inspire each other to push harder and further and you can excel as a team in athletic competitions or as a business partnership. Your efforts are well coordinated too, and when faced with frustrations, you rarely get impatient or angry with each other; instead, you inspire each other to patiently and persistently get through the difficulties. You are able to motivate and inspire each other to achieve more because your efforts are personally meaningful and important to both of you, not superficial or passing interests. The two of you are destined to accomplish a great deal together, and if you do join forces on a project it is likely that you will accomplish more than either of you could by yourselves.

### *Composite Moon Trine Jupiter:*

Quite simply, one of the purposes of your relationship is to BE HAPPY. Play, laughter, humor, and just feeling good in each other's presence is the heart of it. You put one another in a good mood, and can cheer one another up quite easily. It will be unusual for both of you to be down for very long when you're together. Uncommon good fortune and "miracles" will happen to you.

A feeling of openness, spaciousness, and tolerance towards one another permeates your bond and you are quite generous and willing to share the good that comes your way.

### *Composite Saturn Quincunx Uranus:*

The two of you are prone to periodic bouts of argumentation and tension. At best, you can avoid arguing, but tense and difficult situations will arise and are unavoidable. If you see each other only occasionally, then this tendency may not make itself felt; it becomes most obvious if you spend a lot of time together. If the two of you are patient and understanding, and try to do what is realistic and reasonable to improve a situation, then argumentation and bad feelings can be avoided. With proper handling, the difficult situations become opportunities to take a new approach to situations, to gain a new perspective, and to do things differently than you have done them before. You can help each other break out of old habits and do things in more creative and innovative ways.

### *Composite Saturn Quincunx Neptune:*

It is very likely that one of you will be in a position to help the other. Some sacrifice is required. You may also have to make difficult decisions as to whether to assist one another or not. You may be called upon to help, for example, if one of you becomes ill. You will need to think deeply about your values, religious or spiritual principles, and what your priorities are. You will need to be careful not to waste your time and energy, and on the other hand not to be selfish. You must strike right to the heart of what is most important and do it. Be very observant and attentive to details because you can easily be misdirected when dealing with each other

on tricky issues or when in a difficult circumstance. Much inner growth is possible through your interaction.

## **Chapter 4**

### **Other Themes in Your Relationship**

#### *Matthew's Sun in Matt's 2nd house:*

Matthew takes a keen interest in Matt's finances, assets, and talents, and Matthew is likely to provide financial assistance and enthusiasm for Matt's projects and ambitions.

#### *Matt's Sun in Matthew's 12th house:*

Even if you have been friends for many years, Matt will continue to be intriguing and somewhat mysterious to Matthew. You have a knack for uncovering each other's hidden or repressed traits, and there is an uncanny, perhaps even mystical quality to your relationship.

#### *Matthew's Moon in Matt's 4th house:*

You feel very natural and comfortable with each other, and you are likely to feel closer to each other than to your own family. You are able to share your inner concerns and feelings with each other.

#### *Matt's Moon in Matthew's 8th house:*

As your relationship develops, a powerfully emotional bonding develops. Your feelings for each other can be rather complex. Jealousy is possible and if things go wrong, you can hate each other with the same intensity that you once cared for each other.

#### *Matthew's Mercury in Matt's 3rd house:*

The two of you love to chat, and often it requires effort for the two of you to be together without talking, even if there is little to discuss. Try to avoid the tendency to gossip with each other.

#### *Matt's Mercury in Matthew's 11th house:*

Your intellectual rapport is very good. You may share lots of ideas and interests in community affairs, political or social issues, and various clubs and organizations. Discussing common ideals is a favored activity with the two of you.

#### *Matthew's Venus in Matt's 1st house:*

Regardless of how others view Matthew, Matt finds Matthew to be a very attractive and a beautiful person. Matt sees a great deal of charm and sweetness in Matthew and is willing to go to great lengths to please Matthew.

#### *Matt's Venus in Matthew's 2nd house:*

Matt encourages Matthew to spend money more freely, especially on art, beauty, or pleasure. Gifts and tangible expressions of your friendship are also exchanged frequently.

#### *Matthew's Mars in Matt's 5th house:*

The two of you make a great match for games, especially outdoor sports. Matthew also encourages Matt to develop creative talents, and you may become involved together in creative projects.

*Matt's Mars in Matthew's 4th house:*

For better or worse, Matt gets under Matthew's skin. Matt may infuriate, excite or inspire Matthew, perhaps even all of these at the same time! If you live together, Matt will do much to maintain the home, but both of you must be careful to accommodate your friend's tastes and concerns. Try not to insist on your own will and desires, especially when domestic issues are involved.

*Matthew's Jupiter in Matt's 4th house:*

The warm and nurturing side of Matt is brought out in this relationship. If the two of you live together, it is likely that you will enjoy a high level of domestic harmony. Together you could also invest profitably in real estate.

*Matt's Jupiter in Matthew's 1st house:*

Matt puts Matthew in an optimistic, fun-loving, outgoing, mood. You like to go out, travel, and have fun together. Matt is also generous towards Matthew and freely gives gifts and assistance to Matthew. You enjoy planning and scheming together and sometimes you get a bit overly optimistic in your shared hopes and dreams.

*Matthew's Saturn in Matt's 10th house:*

Matthew takes a great interest in Matt's ambitions and career goals, but is also very critical and sometimes even has a dogmatic view of Matt's career goals. Matthew may also unintentionally get in Matt's way, inadvertently creating road blocks on Matt's path. Matthew needs to trust Matt's opinion and integrity, and Matt should try not to become overly sensitive to Matthew's views, be willing to listen to, and learn from Matthew, but also ultimately depend on his/her own judgment.

*Matt's Saturn in Matthew's 9th house:*

Matt causes Matthew to question Matthew's philosophical assumptions, political ideology, and religious beliefs. In fact, Matt often relishes challenging Matthew's views. If you have different beliefs, you will need to adapt to each other! Both of you will develop a more mature and realistic political, philosophical, and religious perspective through this relationship, although the learning process may not always be pleasant or easy. If either of you stubbornly clings to your own viewpoint and is unwilling to learn from the other, you will find that this creates a rift in your relationship.

*Matthew's Uranus in Matt's 4th house:*

Matthew challenges many of Matt's deeply ingrained attitudes and many of the habits and personal tastes that are developed from early childhood. Matthew often encourages Matt to break free from the past, although this encouragement is often subtle and not overt. Matthew needs to be careful not to overlook the value of Matt's heritage, and you both need to be able to preserve what is good in the past without remaining attached to habitual tendencies that are not fulfilling or healthy.

*Matt's Uranus in Matthew's 2nd house:*

Matt encourages Matthew to use more creative, unusual methods for investing, developing financial stability and security. Matt may, for example, encourage Matthew to invest in a new enterprise that presents big opportunities but is also risky.

*Matthew's Neptune in Matt's 5th house:*

Matthew enjoys acting childish and silly with Matt. You enjoy playing with each other, and there is a strong element of fantasy and imagination in your games. Matt's sense of reality may be somewhat diminished when with Matthew, and overindulgence in pleasurable activities or emotions is possible.

### *Matt's Neptune in Matthew's 4th house:*

Matt may undermine Matthew's sense of security and roots, in some subtle way. Matthew becomes a bit more passive, receptive, and possibly gullible, when with Matt.

### *Matthew's Pluto in Matt's 3rd house:*

Matthew sometimes expresses ideas and opinions in a very forceful manner to Matt, who inspires Matthew to take a strong stand on issues, but may feel that Matthew is too narrow-minded at times. The two of you can work well together in areas that require concentration or bold presentations such as research, marketing, etc.

### *Matt's Pluto in Matthew's 2nd house:*

If your relationship is a long-term one, you will find that situations will develop where Matt is called on to provide considerable assistance to Matthew. This assistance is of a tangible kind, perhaps financial assistance or providing tools or resources that are important to Matthew. The transaction, however, may not be smooth and many complex issues are likely to surround it. Matt may change Matthew's attitude toward wealth, possessions, and material security in some very fundamental way.

### *Matthew's Sun Square Matt's Neptune:*

You must guard against mutual deception and misunderstandings. Matthew tends to have an unrealistic view of Matt, and Matt has a tendency to unconsciously capitalize on Matthew's imaginative and often simply erroneous perceptions. The tendency to be dishonest, hide things from each other, exaggerate, and spur each other to unrealistic hopes and dreams is very strong. Both of you must be able to distinguish fantasy from fact, and utilize the increased sensitivity and heightened imagination that you inspire in each other, without letting it cloud your ability to clearly and realistically see other and understand each other.

### *Matt's Moon Opposition Matthew's Mercury:*

Lively, insightful conversations are frequent in this sharing relationship. You love your deepest concerns, fears, and hopes with each other. You also enjoy discussing and analyzing issues at length. In general, these conversations are enjoyable and enlightening, but occasionally they may degrade into gossip and Matthew may sometimes take an overly intellectual, cool, detached approach to Matt's feelings.

### *Matthew's Moon Square Matt's Jupiter:*

You enjoy joking and kidding each other, and you spark each other's sense of humor. In fact, it is sometimes difficult to be serious with each other; the tendency to be light-hearted and jovial is too irresistible. Also, you are very supportive and encouraging to each other, but you tend to be overly optimistic about each other and make promises that you cannot fulfill. You encourage each other to be extravagant, sometimes too much so.

### *Matt's Moon Square Matthew's Mars:*

You tend to become impatient and inconsiderate to each other. This relationship will work only if both of you are tough-skinned and do not get your feelings hurt easily. You are capable of achieving much together and you can motivate each other, but guard against the tendency to be impatient and try to force things prematurely. Avoid also the tendency to be pushy with each other.

### *Matthew's Mercury Sextile Matt's Neptune:*

You have a strong intuitive and psychic rapport, and you often sense what is on each other's minds well before any words are spoken. You also enjoy discussing topics that have a strong imaginative or mystical element, such as the arts, music, philosophy, etc.

*Matthew's Venus Trine Matt's Neptune:*

You evoke in each other a greater sensitivity to music, art, and poetry, as well as feelings of compassion and sympathy. You are inclined to give unselfishly to one another, and to be a friend in good or bad times. Exploring new dimensions of feeling and sensitivity through music, art, poetry, or religion is also highlighted.

*Matt's Uranus Conjunct Matthew's Pluto:*

Things are unlikely to become dull or predictable between you, as there is a strong current of intense change and constant renewal in your relationship. Through your influence on one another, you may experience some radical break from the past, a complete disruption of the status quo, especially for Matt. You may never quite feel like you are on stable ground together, and this can be very exciting or very uncomfortable, depending upon your individual temperaments.
